It is not what a manufacturer says about his own medicine that cures a patient, but what the medicine does. Ballard's Horehound Syrup does the work and does it well. It cures coughs and colds in a day. It's healing, soothing and quieting. 25c and 50c. W. E. Price.

Stacey Logan, a huckster living near Joplin, was run over by an electric car Tuesday night and cut all to pieces. It is thought by some that he had been murdered and placed on the track, while others hold to the opinion that he was drunk. The coroner's jury has not yet rendered a verdict.

Voters should not overlook the fact that a proposition to build a new jail and a bridge over Shoal creek at Lowell will be voted upon at the election next month. There is no politics in this and it is to be hoped that those who have the best interests of the country at heart will vote to carry the proposition. There can be no denying the fact that a jail is needed, and if anybody doubts this statement let them visit the institution. The bridge is needed equally as bad, and it is safe to say the proposition will carry.

It is related that on a recent Sunday in New York, a Rev. A. B. Simpson raised \$113,000 for missionary work. The people present became very much excited, and one woman gave \$20 which she had earned at washing. A man who induces a washerwoman to give \$20 to the heathen is as dangerous as the fakir who stands on the streets and causes foolish people to believe that he is selling twenty dollar gold pieces for one dollar. A man who induces a washerwoman to give \$20 to the heathen is a robber, and should be arrested and punished.—Atchison Globe.

## A Hard Tussle.

The Populists and Republicans are going to have a hard tussle for supremacy in the election of Governor in Kansas this fall. But if you will glance over the prices Baldwin is making on all kinds of merchandise it will not take you long to decide that Baldwin makes the low prices and there is where your cash dollars will go the farthest. It's cold enough for blankets; you can get them, full 10-quarter, at 45c to \$1.50 per pair at Baldwin's. You can't afford to lose your temper putting up that old stove pipe when you can get new steel pipe at 10c a joint and elbows at 10c each. Feed your children sugar. It's healthy for them. Baldwin will sell you 16 pounds for one dollar. Brown's Tar Soap will heal your chapped hands; only 5c a bar at Baldwin's. Pepsin Baking Powder, sold everywhere at 25c a pound, Baldwin guarantees equal to Price's, Royal or any other, or money refunded, at 15c a pound. Souder's extracts are known to be the very best, and Baldwin will sell them to you at half price. Ladies' fall and winter hats at half price at Baldwin's. Don't buy till you see them. You can paint your old buggy and make it look as good as new and have a finish that will make a mirage blush. Baldwin will sell you the paint for only \$1. Baldwin has a thousand other bargains for your cash dollars.

It has got into the newspapers and is going the rounds that Charley Daniels, of Baxter, has written an open letter renouncing his allegiance to populism and resigning his position as a member of the populist committee of this county. We are not advised as to who started this cruel joke, but if he can be found, Charley would be justified in bringing criminal libel against the parties. While the people of this section know that Mr. Daniels has been as far from being a populist as the brimstone regions is a place of rest, the people elsewhere don't know this fact and the report may do him incalculable injury.—Columbus Courier.

The class in "American Patriotic Character Studies" met in the east wing of the M. E. church Friday evening with the vice president, Arthur Hileman, in the chair. Roll call precisely at 7:30 o'clock, then a patriotic song, followed by the fourth lesson Thomas on Jefferson, conducted by the Superintendent, Mrs. A. J. Thompson. Her work will be followed by a public exercise on some evening in the near future known as "Jefferson Evening." Then followed another song by the class when the president introduced Prof. Noble who gave his fourth talk on the great characters of ancient Greece. His theme for the evening was Aristotle and his relations to those who preceded him. These talks are highly appreciated by most of the class and will be of great value to them in future literary and historical work. Business was then called and it was manifested that the young people are taking a deep interest in parliamentary work. A song concluded the exercises of the evening. The class was pleased to see parents and friends present. This literary circle now numbers some forty members.

The ancient Greeks believed that the Penates were the gods who attended to the welfare and prosperity of the family. They were worshipped as household gods in every home. The household god of today is Dr. King's New Discovery. For consumption, coughs, colds and for all affections of throat and lungs it is invaluable. It has been tried for a quarter of a century and is guaranteed to cure, or money returned. No household should be without this good angel. It is pleasant to take and a safe and sure remedy for old and young. Free trial bottles free at A. R. Kane's drug store. Regular size 50c. and \$1.00.

### Something to Know.

It may be worth something to know that the very best medicine for restoring the tired out nervous system to a healthy vigor is Electric Bitters. This medicine is purely vegetable, acts by giving tone to the nerve centers in the stomach, stimulates the liver and kidneys, and aids these organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion, and is pronounced by those who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 50c or \$1.00 per bottle at A. R. Kane's drug store.

### FOR SALE.

I will sell at private sale at my place in the Peoria reservation near the Peoria burying ground, 35 head of young horses and mares. For further information call on J. P. Hartley or the undersigned.

"I can't see how any family lives without Chamberlain's Colic, Cholera and Diarrhoea Remedy," says J. R. Adams, a well known druggist of Geneva, Ala., in a letter inquiring the price of a dozen bottles, that he might not only have it for use in his own family, but supply it to his neighbors. The reason some people get along without it, is because they do not know its value, and what a vast amount of suffering it will save. Wherever it becomes known and used it is recognized as a necessity, for it is the only remedy that can always be depended upon for bowel complaints, both for children and adults. For sale by W. E. Price.

Hot chili—the best—at all times at Mrs. Meyerding's.

Hay Shippers' Handy Record Book, the best thing out for the convenience of hay shippers, made and for sale at this office.

"Many have said their children would have died of croup, if Chamberlain's Cough Remedy had not been given," writes Kellam & Curran, druggists, Seaview, Va. "People come from far and near to get it and speak of it in the highest terms." This is equally true of this remedy in every community where it is known. Buy a bottle at Price's drug store and test it for yourself.
